

## **Stock Transfer Instructions**

To donate securities to the National Forest Foundation (NFF), please follow these simple steps:

1. Notify the NFF of your intention to transfer securities. You can do so by emailing [rfoote@nationalforests.org](mailto:rfoote@nationalforests.org) or your staff contact at the NFF.
2. Please provide the name of the security and the number of shares (this information ensures we can properly credit your gift when it arrives in our brokerage account).
3. Instruct your broker to transfer the securities to the National Forest Foundation by providing him/her with the following information:

Transfer to: **Fidelity Investments, DTC 0226**  
Account: **Z46-494046**

An acknowledgment of the donation will be provided by mail after the confirmation of the transfer deposit.

By directly engaging people like you and leveraging private and public funding, the National Forest Foundation leads forest conservation efforts and promotes responsible recreation on all 193-million acres of America's National Forest System.

If you have questions about other types of assets (mutual funds, retirement assets, etc.), please call Ray Foote at 202.664,4585. Thank you for giving to the NFF in this "taxwise" manner!
