

Sporting Clays Invitational

Saturday, May 11, 2024 | Ten Mile River Preserve | Dover Plains, NY

29th Annual Sporting Clays Invitational

Experience the thrill of clay shooting with business leaders, conservationists, and outdoor enthusiasts united for a noble cause. Each shot fired echoes a commitment to protect our National Forests and Grasslands. Amidst breathtaking scenery, bonds form, conversations flourish, and pledges are made to ensure the health of America's wilderness. This event isn't just a gathering—it's passion, purpose, and dedication to preserving our natural heritage.

America's National Forests and Grasslands are vital for wildlife, clean air, and water. Yet, threats like wildfires and underfunding persist. Your participation in the NFF's Sporting Clays Invitational is vital to secure healthy forests and grasslands for generations to come. Join us!

Sponsorship Opportunities

Why support the National Forest Foundation?

National Forests & Grasslands are the foundation of America's outdoor recreation heritage and sustain our way of life. They provide water to millions of Americans, clean our air, store carbon, and provide timber, minerals, oil, gas, and other resources for industry and communities.

By partnering with and supporting the National Forest Foundation, you are committing to upholding the American tradition of public lands. The NFF is a 501(c)(3) nonprofit conservation organization, making your support tax-deductible.

Your support reaps tangible conservation results for our nation's forests, watersheds, wildlife, and recreation resources. Last year, the NFF invested \$24.8M on the ground. We planted over 8M trees, completed over 6,500 miles of trail work, engaged over 4,300 youth, and accomplished 8,800+ acres of forest health projects.
